

CORRIGENDUM

to the Application pack of the Open Call for Proposals in the frame of the Cooperation Programme Interreg V-A Slovenia - Croatia in the period 2014-2020 published on 15 January 2016

According to point 16 (Amendments to the Open Call for Proposals) of the Open Call for proposals in the frame of the Cooperation Programme Interreg V-A Slovenia-Croatia in the period 2014-2020, the original wording of the Application pack documents has been changed in Slovenian, Croatian and English version as stated in the following text. The applicants are obliged to consider the amendments published on the following website www.si-hr.eu.

English version of the Application Pack documents has been changed as follows:

Date of the change	Version	Document	Description of the change
5.9.2016	2	Part 1 – About the programme (Implementation Manual for Beneficiaries)	Changed chapter order: Chapter 1.3 (Result and output indicators) was changed to chapter 1.4 and Chapter 1.4 (Types of activities, main target groups, type of beneficiaries supported by the programme and guiding principles) became chapter 1.3. In accordance with the new chapter order definitions of project results and main outputs have been deleted from Chapter 1.4 (Result and output indicators) while detailed descriptions of programme results and output indicators have been added to it.
5.9.2016	2	Part 2 – Project Development (Implementation Manual for Beneficiaries)	Chapter 1.8 (Project modifications): added explanation regarding the number of requests for project modification during its implementation.
5.9.2016	2	Part 2 – Project Development (Implementation Manual for Beneficiaries)	Chapter 1.8, first indent (Project modifications, Major modifications): added example of a modification that has to be approved by the MC.

5.9.20162Part 2 - Project Development (Implementation Manual for Beneficiaries)Chapter 1.8 (Project modifications): added explanation regarding the validity of project modifications and related eligibility of expenses.5.9.2016.2Part 2 - Project Development (Implementation Manual for Beneficiaries)Chapter 2.2 (Developing project intervention logic): added explanation on project intervention logic): added explanation on project intervention logic and definitions of its basic notions (challenge/opportunity, project overall objective, project results, project specific objectives, project main outputs and work plan).5.9.20162Part 2 - Project Development (Implementation Manual for Beneficiaries)Chapter 2.3 (Developing project intervention logic): added explanation on project intervention logic and definitions of its basic notions (challenge/opportunity, project overall objective, project results, project specific objectives, project results, project specific objectives, project partnership): added explanations regarding aspects connected with building a project partnership.5.9.20162Part 3 - Application and assessment (Implementation Manual for Beneficiaries)Chapter 1.2. (Application pack): the list of call documentation has been supplemented with two additional documents.5.9.20162Part 3 - Application and assessment (Implementation Manual for Beneficiaries)Chapter 1.2. (Application pack): the list of call documentation has been supplemented with two additional documents.	F 0 0010			
(Implementation Manual for Beneficiaries)process for project modifications): added explanation regarding the validity of project modifications and related eligibility of expenses.5.9.2016.2Part 2 - Project Development (Implementation Manual for Beneficiaries)Chapter 2.2 (Developing project intervention logic): added explanation on project intervention logic and definitions of its basic notions (challenge/opportunity, project overall objectives, project specific objectives, project partnership): added explanations regarding aspects connected with building a project partnership.5.9.20162Part 3 - Application and assessment (Implementation Manual for Beneficiaries)Chapter 1.2.
